

Capturing the Beauty of Flowers

*May 29, 2013 5:30pm-7:30 pm
Held at "The Garden Barn" Vernon, CT*

Capturing the Beauty of Flowers

- This hands-on class is focused on the how-to's of photographing botanicals from the flower's petals to inner pistils.
- You may bring your own camera as our Professional Photographer walks you through the steps and settings.
- Learn how to use your camera to capture “natural” light and the environment surrounding your plants and gardens.
- As a bonus, “Hands on Opportunity” to photograph along side with Catherine Cella in the pond garden.

*“I think a
photography
class should be a
requirement in
all educational
programs
because it makes
you see the
world rather
than just look at
it.”*
